Welcome to 2015 – to our returning families and to our new families we hope the start to the year has been relatively smooth (even with the few hiccups with buildings and uniforms). Thanks to the many families for attending our Welcome BBQ and Information Evening last Friday. It was great to see so many families attending and enthusiastic about the beginning of the school year.

This St Andrew Campus Newsletter will be updated fortnightly (each Tuesday on the odd weeks of the school term) and will be placed on the Good Shepherd Lutheran College website as well as emailed to families. If you require a printed copy, please email kath.dunlop@ntschools.net to arrange for this to happen. Information about what is happening at our Campus can be found on the Good Shepherd Lutheran College Facebook page as well as the College website.

UNIFORM SAMPLES

Uniform Samples – the new College uniform shop has supplied uniform samples to our campus for students to try on. Orders can be made through Kath in the office and uniforms can be delivered to St Andrew campus for pick-up.

CANTEEN

Canteen – each Tuesday and Friday we have a canteen operating. Ordering can be done online through the College website or students can bring in an order the day

CLASSROOM NEWSLETTERS AND FORMS

Classroom newsletters and forms – you should have received a class newsletter already with information pertinent to your child’s class routines. Shortly you will be receiving an envelope containing forms to be filled in for each child. There is also a ‘Change of details form’ enclosed as well – please use this form if you have changed details or even if you are not sure if we have the correct details in our system. These forms need to be returned as soon as possible as they give us important information in helping your child in their school environment. There will also be a fridge magnet enclosed in this envelope containing contact details in the event that your child is absent from school.

THANKYOU

Gardening Thank You – Mrs Linda Agg has been busy over the last number of weeks, weeding our gardens. I would like to say a big thank you to Linda for doing this – the gardens are looking beautiful. Students are keen to do some designing, planting and maintaining of these gardens around our campus grounds. Some classes have already asked for mulch and/or Spider Lilies – if you have any of these supplies and are happy to donate please let Kath know in the office.

CHAPELS AND ASSEMBLIES

Chapel and Assemblies – Chapel is each Friday at 8.20am. This year we have been trialling meeting in the room next to the library. This has worked well so far and parents are welcome to attend. When classes are presenting we will meet in the Dreambuilders building as this allows for more room for students to present. Assemblies will also follow this pattern. See below a list of dates that indicate when each class is on Chapel or Assembly.

MUSIC TUITION

Music Tuition – a note went out through the holidays regarding those interested in music tuition at the St Andrew Campus, and there are still places available. If you are interested please fill in the form and send it into the office for processing. The music tutor will then contact you to make arrangements.

HOUSE TEAMS

House Teams – our House Teams have changed this year in line with Good Shepherd Lutheran College. More information about house teams can be found on the College website.

Teams and colours are Livingstone – Yellow, Hughes – Green, Strauss – Blue and Fenton – Red.

HOUSE LEADERS

House Leaders – in the next week we will be deciding on House Leaders for St Andrew Campus. These leaders will play an integral part in our sport events, service learning activities and the culture of our campus.

INSTALLATION OF STAFF

Installation of Staff – new staff will be installed at a special service next Friday (20th February) at 1pm in the Dreambuilders building. All families are welcome. There will not be a chapel service that morning.

FINAL NOTE

Congratulations to Lyrell and Ian Cochrane on your recent wedding!

Please don’t hesitate to contact me if you have any further questions or feedback regarding the happenings around our campus.

Warm regards,
