Staff on Duty

A reminder that there is a Teacher on duty before school from 7:50am.

If you require care before this time please see Rebecca to book your child into before school care.

Junior School and Early Learning Centre

As the term comes to an end it is pleasing to reflect on the way the students have settled into their routines and the buildings have become vibrant learning spaces. Facebook shows some of the photos of the fun we have had but cannot capture the team work and cooperation (students, community and staff) which is such a pleasure to be part of.

Thanks to those who have taken the opportunity to be involved in the three way conferences this week. We appreciate your feedback and the genuine interest and involvement you have in your child’s learning journey. If you were unable to find a time to suit you please do not hesitate to contact the relevant staff member and set up an appointment.

Many parents have ordered from the Book Club. This not only gives your children the opportunity to choose material they enjoy but also gains points for our school we can put towards additional resources. We are pleased that you have found the online purchasing facility convenient as it certainly reduces the collating time for us. Now we eagerly await our first orders!

Wishing you all a safe and Holy Easter

Donations for Bethany House

We are so proud of the students who were willing to put effort and energy into working to help others. Well done. We raised $230 for Bethany House.

Some of the tasks done to earn the Bethany Dollars included:

* Helped with the dishes and packed away my things
* Set the table, helped plant seeds, fed the chooks and helped cook
* Picked up the fallen palm fronds in the yard and vacuumed to pool
* Vacuumed the lounge and kitchen
* Unpacked the dishwasher, mopped the floor, set the table, helped make dinner
* Put away clothes and fed the pets
* Collected the eggs and put the dirty dishes in the sink
* Cleaned the dinner table
* Took out the bins

Maximum Power Show

The wombats, penguins and kookaburras went on an excursion to the Palmerston Campus on Friday 27 March to see the Graeme Denton “Maximum Power Show”. A fantastic time was had by all. The Bilbies also took part in the show at the Howard Springs Junior Campus on Tuesday 31 March.

Celebration day is held on the second Wednesday of each month. If your child's birthday falls within the month you may bring in something for the class to share. Our next celebration day is Wednesday 8 April 2015. If you wish to bring in food on your child’s actual Birthday please ensure it is something healthy like fruit kebabs, unsweetened popcorn etc.
