Hello to you all and a very special welcome to the Anver-Raeck family who have joined us this fortnight. Ms Tahlia Anver has started as our Year 3 teacher and her children, Jemima (Year 1) and Cael (ELC) are also settling into St Andrew Campus, Leanyer.

Coming up in two weeks is our Athletics Carnival on Thursday June 11 at the Leanyer School oval. More information will come out prior to the day and we would welcome parent help and attendance to encourage our students.

Thank you to the many parents who are ensuring that their children are coming to school in the appropriate uniform (especially the correct footwear). If you are having difficulties with following our College expectations, please write a note or call in to the office so that we are aware of the issue.

This last week Ms Rachael Murray (our Transition teacher) along with staff from the Howard Springs Junior Campus attended professional development in Hong Kong furthering understanding around the IB Primary Years Programme. Rachael has come back with some amazing ideas and we look forward to her sharing these with us.

You will have received an invitation to attend an information session on SEQTA during the week. Please make this a priority as each session will be identical and attending will be important for you to understand our new reporting system.

There will be a final Valuing Safe Communities workshop for this year at the Palmerston campus on Tuesday June 2 at 7pm. This workshop is being held in the hall. This is especially important for those parents who are considering attending the Year 5 camp.

Until next time have a wonderful few weeks,
Karen

Carpark Etiquette

Unfortunately there has been some reported incidents of parents / caregivers not being respectful in our campus carpark. Please ensure that you use the drop-off zone for drop offs and pick-ups only and that if you park in the carpark, you take care as there are many students and parents walking through the area. We are all modelling appropriate behaviour to our students when we are respectful and calm in these situations.

**INTERSchool TOUCH FOOTBALL COMPETITION**

What a day we had at the inter-school touch football competition.

We learnt to:

- Referee
- Communicate
- Co-operate
- Work as a team

And Meet a lot of other kids from all other schools.

A BIG thank you to Priscila Sharpe, Kelly Hell and Craig Goody
