Term 2 Week 4

Another fortnight has passed and we have seen great learning happening at St Andrew Campus, Leanyer. I regularly have students popping into my office to show me their achievements or work they are proud of. It's so great to be a part of a wonderful learning environment!

Over the fortnight students have been involved in:
- Anzac Day Chapel at St Andrew
- Anzac Day Services in the community
- Milo Cricket sessions each Tuesday
- A visit from the Fire and Rescue Services for Transitions and Year 1’s
- Year 2 reading with parents
- Year 3 “protesting” as activists for environmental change
- Year 4 getting ready for camp
- Year 5 leaders helping throughout our campus

This week also Class Carers met with me to go through upcoming events and to gain feedback about the year so far. Our class carers for 2016 are:
- Transition – Nikki McCourt
- Year 1 – Renee Hocking
- Year 2 – Bill Speed, Shane Graham and Jodie Fulton
- Year 3 – Tania Harris and Michelle Goody
- Year 4 – Emma Calter
- Year 5 – Jasmin Mancer and Jo Speed

Thank you for taking on the role to continue to build our campus community.

Please consider attending our Combined College and Congregation Worship Service on Sunday 15 May in the undercover area of St Andrew Campus, starting at 9.30am. Bring along a small plate to share for morning tea and join in a fun morning as students from choir and classes help lead us in worship.

Student uniforms – thank you to parents who are ensuring that students are wearing the College uniform correctly (including white socks and correct shoes). If you are unsure of the correct uniform requirements, the College website has this information. PE uniforms at our campus are only to be worn on PE days – Tuesday and Thursday for Transition through to Year 3 and a change to timetables means Years 4 and 5 wear PE uniform Tuesday and Wednesday.

This fortnight our Chapel theme has focused on forgiveness. Our verse for the week:

Put up with each other, and forgive anyone who does you wrong, just as Christ has forgiven you. Colossians 3:13

Until next fortnight,
Karen

ANZAC Day 2016

We were very fortunate to have Lieutenant Commander Mark Sorby head our ANZAC Day service at St Andrew campus this year. With over 30 years experience in the Royal Australian Navy Mark had some wonderful pictures and memories to share with us including a very special ANZAC Day service that was held on his ship HMAS Ararat in the middle of the ocean with the Indonesian Navy.

We would like to take this opportunity to thank ‘Tia’s daddy’ Lieutenant Commander Mark Sorby for his wonderful ANZAC Day presentation and remembrance service.

PYP

Action in the PYP

As always we would love to hear from our families about any action they have seen their child taking as a result of their learning in the PYP. Action might not be something that you see happen but could be if you experience any of the following:

Candidate School Statement

St Andrew Campus Leanyer is a candidate school* for the International Baccalaureate (IB) Primary Years Programme and pursuing authorization as an IB World School.

IB World Schools share a common philosophy – a commitment to improve the teaching and learning of a diverse and inclusive community of students by delivering challenging, high quality programmes of international education that share a powerful vision.

*Only schools authorized by the International Baccalaureate can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted.

For further information about the IB and its programmes, visit [www.ibo.org](http://www.ibo.org)

**The Life of Year 5**

**Unit of Inquiry 1**
Transdisciplinary theme: How we express ourselves
Central Idea: Different creative mediums can be used to express yourself.
Key Concepts: form, function, perspective and reflection.
Our first unit of inquiry was lots of fun! The students did a wonderful job of learning the PYP language as we started a new school year! We really enjoyed seeing all the different ways that our class could show how they express themselves. Here are some examples of our summative tasks.

---

**Maths**
We have been learning about factors, multiples and products. We have been using our knowledge of our times tables as well as our factor scales and factor rainbows to create both multiplication and division number sentences. Here are some of our factor rainbow and factor scale anchor charts we created for our classroom.

---

**Writing genre – Biography**
We have really enjoyed looking at lots of different biographies. We like to read and explore the writing genre that we are focusing on before we start writing our own. The students worked together to plan and write a shared biography about the life of Miss Dickson. They then edited their writing to see what improvements they needed to make. Next week, they will be writing a biography on a family member or friend!

---

**Unit of Inquiry 2**
Transdisciplinary theme: Where we are in place and time.
Central Idea: Significant events shape present day societies.
Key Concepts: connection causation and perspective.
There has been so much to learn and discuss in our current unit of inquiry. We began by looking at Australian families and our own family history. Some students created family trees at home to share with the class, as well as sharing photos and even a published book all about their own family! This started our interest in having a class timeline so we created one in our classroom. We then moved on to finding out about events in Australia’s past, we researched different time periods from the 1800’s onwards and we were able to place these along our timeline. We worked in partners to research migration in Australia. We then had to discuss which events we thought were the most significant in Australia’s history. Now we are going further in to the Gold Rush era. We still have lots to learn but we are beginning to make some great connections with our central idea and our lines of inquiry!

**TRANSITION - YEAR 5 Vertical Interest Groups**

In Week 6 we will be starting vertical interest groups from Transition to Year 5. These groups will take place on Friday afternoons between 1 - 2pm. Teachers will be running these groups and students will nominate which group they would like to participate in. Some of the groups will include cooking, gardening, play and dance. If you are interested in helping or running a group of your own and are available to commit for the 6 weeks, we would love to hear from you!

**DON’T FORGET!**

**NUDE FOOD each WEDNESDAY**

You may have read or heard that this year all Good Shepherd Junior Campuses are going to support **Nude Food each Wednesday**. Nude Food Days are a nationwide initiative to encourage students to eat well and live well. They aim to eliminate all unnecessary packaging and wrapping that goes into schools.

Each Wednesday, all students are asked to bring food that has no wrappers and packaging. Please use durable, reusable containers to bring along food to avoid waste. Please see the attached tip sheet for more information.

**DON’T FORGET ZOOPER DOOPERS AND HERBS FOR SALE.**

.50c Zooper Dooper and $2 Herbs every Friday after school.
