**Term 3, Week 8**

What an amazing fortnight we have had on the St Andrew Campus! It was wonderful to see so many families at our many events. Our events over the last fortnight have been enriching for our students and have included:

- **Paige and Dewey Book Buddy visit to Transition and Year 1 students** encouraging the use of our public libraries in Darwin
- **3EQ Assembly** highlighting the learning journey of the Year 3 students throughout the term
- **Year 3 Market Day** – the culmination of their unit of inquiry ‘How the World Works’
- **Father’s Day Breakfast in Transition** with yummy pancake making
- **Father’s Day Twilight Campfire** on Friday evening was well attended and loads of fun. Thong throwing (try saying that quickly three times), cooking damper, tug-a-war and the yummy BBQ were highlights of the evening. Thanks to those who attended.

In the upcoming fortnight there will be a **College Worship Service at Howard Springs Campus 10.30am Sunday 11 September**. All families are invited to attend.

A reminder that we have **Student-led Conferences scheduled for Tuesday 20 and Wednesday 21 September**. Please log onto PTO through SEQTA to book a time that suits. If you are not able to make a time during these days, please arrange a time with your child’s teacher for early in Term 4. Student-led Conferences are an opportunity for your child to walk you through their learning, celebrate their achievements and view their portfolio of work samples. We look forward to seeing you for this important step in reporting on your child’s progress.

I hope and pray that you have a blessed fortnight.

Chapel verse for this week: **Always be humble and gentle. Patiently put up with each other and love each other. Ephesians 4:2**

Karen

Check out our account @SILCJS_SA for happenings around campus.

### PYP

#### PYP Attitudes

**Appreciation and Integrity**

The PYP Attitudes are relevant to all of the members of our school community – kids and adults alike! The Attitudes need to be interpreted and modelled for students like any other area of our curriculum. Students will be able to reflect on and develop their own set of values and attitudes in the context of their school life.

The PYP Attitudes that I would like to focus on for this fortnight are **Appreciation** and **Integrity**. **Appreciation** is appreciating the wonder and beauty of the world and its people. **Integrity** is being honest and demonstrating a considered sense of fairness.

Parents please know that we would love to hear back from you if you are able to share any stories or photos of your children putting any of the PYP Attitudes into action at home! We really would love to share these stories with the rest of our school community through our newsletter to celebrate the fantastic achievements of our students!

#### Candidate School Statement

St Andrew Campus Leanyer is a candidate school* for the International Baccalaureate (IB) Primary Years Programme and pursuing authorization as an IB World School.

IB World Schools share a common philosophy – a commitment to improve the teaching and learning of a diverse and inclusive community of students by delivering challenging, high quality programmes of international education that share a powerful vision.

*Only schools authorized by the International Baccalaureate can offer any of its four academic programmes: the Primary Years Programme (PYP), the Middle Years Programme (MYP), the Diploma Programme or the Career-related Programme (CP). Candidate status gives no guarantee that authorization will be granted.

For further information about the IB and its programmes, visit [www.ibo.org](http://www.ibo.org)
Year 3 MARKET DAY

September 1st 2016 was Market day. 3EQ held an AMAZING market for their UOI (Unit of Inquiry). It was held outside the classroom. It was fun and lots of people enjoyed the markets. Parents, students and teachers all had a fantastic time! We raised money for Cancer Council.

The total raised was $454.95

Some of the stalls we had included Smoothies and raffle, pie in the face and screen painting, pancakes, cakes, lucky dip and sweet stall, spaghetti hands, slushies and sausage sizzle.

**Come ride with me.....**

It was a case of the parents ‘catch up’ on a magic Sunday morning as the inaugural dads ride left the water gardens, as Antony, Kobi, Kennedy & Latoya powered away on their bikes such was their enthusiasm to get going. Thankfully, the steep overpass across Trower road slowed the future Olympians down allowing parents to catch up. Proceeding in a relatively organised fashion we rode along the rapid creek bike path discussing which trees would be the best to climb and how easy they would be to relocate to various backyards. Further discussion along the way involved dogs, skateboards, wind surfing, roller blades (as Shane was pushing Riley whilst in roller blades), Pokémon and the distance remaining to the pool. Gathering up again in the shade of a tree outside the pool after half an hour of riding we all were looking forward to a swim.

As the toddler pool was freezing, we all settled into the main pool at the shallow end (which was slightly less arctic) where some serious splashing, mock fighting and Marco Polo playing took place. As lips turned blue, solace was obtained from the warm concrete pool surrounds and towels, before numb fingers enjoyed sausage sandwiches cooked by the mums Shane & Jo, with tomato sauce smiley faces on bread. After another quick swim, an ice cream or coffee, we were ready for the ride back to the water park. Riding into a stiff head wind quickly warmed up limbs and the return trip really seemed to fly. Indeed we knocked ten minutes of our morning ride time without even noticing, to which Harper commented at times that he felt he was doing lots of pedalling on our tandem bike. I suspect Steve worked hard as well chasing down Kennedy who with the recent removal of her training wheels really showed good balance and pace.

It was the end of a really enjoyable morning and hopefully the start of some more fun adventures as a school community.

There is a really nice track from Lee point past the Dripstone park / cliffs which may be a possible starting point of our next ride if people are keen ...

Next adventure September 17,
Stay tuned for further details.

**FATHER’S DAY**

**CAMP FIRE and TSD MORNING TEA**

Thank you to all the families that came along to our father’s Day camp fire picnic. We all had a lot of fun. ‘Damper with dad’ and ‘tug of war’ proved to be popular activities followed close by with ‘thong throwing’. The steak sandwiches were a hit!

Amongst all the fun we also managed to raise **$200 for Prostate Cancer**.
