Annual Report 2022

Acknowledgement of Country

Good Shepherd Lutheran College acknowledges that our loving Creator God first gave the land on which we are placed, to the peoples of the First Nations who have walked and cared for this land since before recorded time.

We thank God for the land's Traditional Custodians and pay our respects to Elders past, present, and those in our community as we travel this journey of reconciliation in Australia.

PRINCIPAL REPORT

2022 was another fantastic year for students, staff and families of Good Shepherd Lutheran College. Across all three campuses of the College, Howards Springs, Palmerston and Leanyer, the learning and experiences that occurred provided a rich opportunity for growth, development and wellbeing for all.

The success of both the IB Primary Years Programme in our Junior Schools and Middle Years Programme, continues to shine and was highlighted in the culminating Exhibition Night of our Year 5 students and Personal Project Expo of our Year 10 students.

Personal success for our graduating Year 12 students was also celebrated with 98% completion of the Northern Territory Certificate of Education and Training, achieved through students accessing the rich mixture of classroom, vocational and experiential learning experiences and credits available.

We are proud that Good Shepherd Lutheran College continues to be an independent school of choice across the Darwin region.

OUR COMMUNITY

I am truly appreciative of the teaching and the high standards that Good Shepherd as a school community promote and I can envisage my daughter successfully completing her education journey with the College.
College Parent

Lutheran schools understand the important role that parents play in the education of their children. Without a supportive home environment, the capacity of schools to maximise each child's learning is limited. When teachers, parents and the community work together to support each child, the child thrives.

There are many ways that parents can assist their children to be successful in their learning journey at Good Shepherd Lutheran College.

Parent & Student Feedback

Parents and students are surveyed regularly. The survey provides the opportunity for feedback across a broad range of areas. This information is used as part of the College's commitment to continuous improvement.

In 2022, students and parents survey results scored highly in areas of pastoral care, living the College values, a culture of student improvement and being a school recommended by others.

School Expenditure

There were no major events to report in 2022.

Good Shepherd continues its program of regular maintenance and improvement of buildings and facilities across the three campuses. Planning and preparation for the renovation of classrooms to develop an ELC at the Palmerston campus and for further expansion of the Howard Springs campus were the main projects for 2022.
