### Newsletter Term 2 Week 5

Dear Leanyer Campus families

It's been so lovely seeing our students enjoying the beautiful start to the dry season that we are having. Hasn't it been lovely having those long weekends to enjoy it?

I hope all our mums enjoyed the beautiful Mother's Day gifts they received from the students. I must extend huge thanks to the wonderful Class Carers for organising the plant pots and for Tammy and Bunnings for providing everything required and coming in to show our Year 4 and 5 students how to pot the plants so that they could teach the rest of the students. It was beautiful to see the effort that the Year 1 students put in to their Mother's Day stall, as well as watching the ELC and Transition students pamper their mums during their dedicated 'mum mornings'. I must also thank our Class Carers for lovely Mother's Day Celebration Cheese and Wine evening. We had such a delicious food platter and raised over \$400 for the Cancer Council with the raffle.

It seems like such a long time ago that we commemorated ANZAC Day. We were very fortunate to be able to welcome SGT Thomas of the 5th Battalion the Royal Australian Regiment (also known as Savannah and Zoe's dad) to talk to us in our assembly. We are so fortunate to have these connections within our school community to help us appreciate and commemorate these events.

It's been a busy time for our older students. In Week 2 we had the Year 3 – 5 Athletics Carnival at Howard Spring Campus. Well done to all, especially to Miss Griffiths our PE teacher for organising a great event.

Year 4 had a fantastic time on their Camp at Riyala, which they shared with the Year 4s from the Palmerston and Howard Springs Campuses. It was a great chance for the students to get to know one another. If the measure of tiredness when they returned was anything to go by, they'd had a great time. Thanks to our parents who volunteered and went along to support the students.

Years 3, 4 and 5 were lucky to have a visit from Cecily and Lachlan from AusEarthEd. They had great fun with hands-on science learning about soil, fossils and lava! The incursion is courtesy of the Primary Australian Literacy Mathematics and Science Program, an initiative supported by Santos and AusEarthEd. Year 5s have also had the fantastic opportunity to have Mr Daly Kelly, a Mechanical Engineer, working with the class this term through the CSIRO, STEM Professionals in Schools program. They have been learning about solids, liquids and gases through exciting hands-on activities.

This week we joined in with the National Simultaneous Storytime. We were very excited to be able to watch an astronaut from the International Space Station read the story Give Me Some Space, by Philip Bunting, from Space!! Classes joined together to share the story and had some fun with space-related activities. This link <https://storytimefromspace.com> takes you to the site where there are many books read from the ISS.

I'm pleased to say that we successfully completed all of our online NAPLAN session over the last 2 weeks. Our Year 3 and 5 students did a fantastic job and should be very proud of themselves for their efforts.

This week in House Activities we completed our Walk My Way challenges. We had lots of fun with different challenges – all involving the number 26 as every \$26 raised helps a refugee child in East Africa go to school for a year! Thank you all for your generous donations.

Wow, it's been a busy term! Enjoy the beautiful weather and take care.

Cheryl Gunn

Head of Junior School

Leanyer Campus

## PYP - The Evaluation Process: Parents

It would be fantastic to hear from anyone in our school community who is willing to participate in answering some questions about our school and how we run the International Baccalaureate Primary Years Programme (IBPYP) at Leanyer Campus during our Evaluation visit in August 2022. If anyone in the school community could email me an expression of interest by the end of this term to [rebecca.fletcher@ntschoools.net](mailto:rebecca.fletcher@ntschoools.net), it would be greatly appreciated.

An important part of the Evaluation process is to complete a self-study with as many members of the school community as possible: The School Board, Leadership, Teaching staff, Parents, and Students. This process is to get opinions on the programme from the stakeholders by using the IB Standards and Practices as a guide and to record the evidence that this is what happens at our school. We do this by sharing information with parents and asking some follow up questions, for example:

1. What grade is your son or daughter currently in?
2. Before entering the Primary Years Programme, what was your knowledge of the IB?
3. Since entering, what is it now?

The visiting team from the IB will ask questions during a 30-minute chat regarding communication between the school and the parent community particularly in regards to the PYP: ways that the school demonstrates its commitment to the IB PYP; your understanding of the IB PYP through parent information sessions, newsletter articles, or other correspondence; how your child may be using the Learner Profile Attributes or the Approaches To Learning Skills.

Parents who are involved are asked to be honest, talk about the curriculum, and talk about any issues and challenges. This is also their chance to highlight the school's strengths and achievements.

There is an information fact sheet about the International Baccalaureate Primary Years Programme for parents available in the front office upon request, or I am always willing to answer your questions.

Thanking you in anticipation.

Rebecca Fletcher

Primary Years Programme Curriculum Coordinator

Sebastian Hale

Estelle Ashford

Marion Kempster

Zac Kitsos

Emma Schultz

Addison Gallagher

## Eco Schools - Green Gang

We have been fortunate enough to receive a \$500 grant from Keep Australia Beautiful / Eco Schools for litter and waste reduction within the school.

Waste and litter reduction is a great start for our Eco Schools group as this is something the Green Girls were working on in 2020 and it will continue to develop in 2021.

As part of the Eco Schools 7 step framework, we must first commence the first 3 steps:

1. Form an Eco Committee
2. Carry out an Environmental Review and Baseline Survey
3. Create an Action Plan.

Over the next few weeks we will be collecting expressions of interest for students to become members of the Eco Committee and extend this invite out to parents too. This would require a commitment of one meeting a term with the rest of the Eco Committee, which is made up of teachers, students, parents and members of the wider community.

Please email myself at [angela.beukes@ntschoools.net](mailto:angela.beukes@ntschoools.net) if you have interest in becoming a member on our school's Eco Committee.

Angela Beukes

**Good Shepherd Lutheran College**  
**NT**

We all know that people learn in different ways and have different learning styles. We are all unique and our differing interests, strengths and weaknesses demonstrate the beauty of diversity. There are a number of ways that information can be presented to students and various ways in which students are able to show us what they know. At Good Shepherd we endeavour to gain an understanding of how each of our students' learn best. Teachers and Learning Support Officers will gather information from various sources in an effort to understand your child's learning. Eg, classroom observations, standardised tests, informal assessments, teacher conferencing, surveys and informally getting to know your child.

The below graphic provides a pictorial representation of the many learning styles / intelligences that can be present in any one classroom at any time. Reference: Howard Gardner Multiple Intelligences.

In an effort to cater to this variety of learners, teachers employ a number of strategies to support learning:

- Universal Design for Learning
- Multi-sensory / Multi-modal forms of learning and assessment
- Differentiation

## As an IB school the Learner Profile sets out the following traits:

Knowledgeable	Inquirer
Risk Taker	Balanced
Caring	Reflective
Open Minded	Thinker

These are the core of our work with engaging students as they reflect on their own learning styles. It is important that students are able to recognise their strengths and areas of difficulty, within the Learner Profile. From this understanding they are able to develop their own goals for learning.

In following newsletters, our team of Learning Enrichment / Support Teachers will unpack the meaning behind Universal Design for Learning; differentiation and what is meant by multi-sensory / multi-modal ways of learning and assessing. We look forward to further supporting the learning of our community as we engage with and form relationships with our students and their families to provide the best possible learning experience.

# ANZAC Day Commemorations

## Physical Education

Students have been very busy during Physical Education this term. Along with full and exciting lessons, upper Primary students have participated in both the Junior School Athletics Carnival and many in the PARRS Soccer day.

The Junior School Athletics Carnival was a hit for all Year 3-5 students early in the term. Following lessons in class time to practice each event, they competed in a variety of running, jumping and throwing events on the day. It was wonderful to see so many parents there supporting their children who all had such big smiles on their faces, all having a go and showing exceptional sportsmanship.

Final House points on the day were Livingstone on 440, Hughes on 496, Strauss on 527 and the overall winning House was the flying red **FENTON FALCONS** with 601 points.

Congratulations to the Age Champions and Runners Up listed below:

### 8 yr olds Boys:

Champion - Leeland Barber

Runner Up - Noah Blazely

### 9 yr olds Boys:

Champion - David Ekpo

Runner Up - Levi Jose

### 10 yr olds Boys:

Champion - Nate Watson

Runner Up - McCoy Da Costa-Pereira

### 11 yr olds Boys:

Champion - Mitchell Mott

Runner Up - Noah Jose

### 8 yr olds Girls:

Champion - Michelle Isuchukwu

Runners Up - Ava Costello and Skylar Orridge

### 9 yr olds Girls:

Champion - Leah Mott

Runners Up - Jasmyne Wilson and Isla Dancis

### 10 yr olds Girls:

Champion - Athanasia Makrylos

Runner Up - Amy Hargreaves

### 11 yr olds Girls:

Champion - Kennedy McWilliams

Runner Up - Marjorie Hackenberg

We have had a few records broken this year! Below are the students who broke these records. 10 records broken in total!!! WOW!!

**Michelle Izuchukwu** broke the 8 Year Old Girls Shot Put with a distance of 4.02m.

**Leeland Barber** broke the 8 Year Old Boys Shot Put with a distance of 4.75m.

**David Ekpo** broke the 9 Years Old Boys 200m race with a time of 34.12s AND the Shot Put with a distance of 7.40m.

**Claire Sage** broke the 10 Year Old Girls Shot Put with a distance of 6.14m.

**Amy Hargreaves** broke the 10 Year Old Girls 800m race with a time of 3mins 25.23s.

**Athanasia Makrylos** broke the 10 Year Old Girls 100m sprint with a time of 16.40s.

**Zach Hanton** broke the 10 Year Old Boys 800m race with a time of 3mins 20.75s.

**Mitchell Mott** broke the 11 Year Old Boys 200m race with a time of 32.28s AND 800m race with a time of 3mins 11.70s.

Transition and Year 1 have spent most of Term 2 developing their running, jumping and throwing skills in preparation for their Athletics Day at each campus. Years 2 to 5 have been learning all about Invasion Games where they have been targeting their spatial awareness, offensive/defensive strategies and their knowledge and application, and the ability to collaborate with others to achieve a common goal. Well done to all students for a wonderful term of sports and Physical Education.

Carrie Griffiths (PE Teacher)

## 5DS Science with Mr Kelly CSIRO STEM Engineer

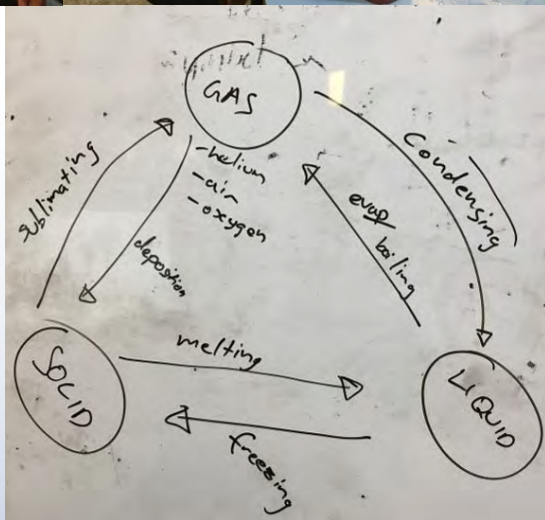

Over the last two Thursday afternoons 5DS have been learning about three states of matter in science under the guidance of Mr Kelly, a mechanical engineer.

We first learnt about gases. We looked at the periodic table and learnt about helium and air. We had a challenge to see who could design a contraption to lift as many paperclips as possible using helium filled balloons. It was lots of fun. Not everyone was successful though. We learnt that sometimes the simplest design works best.

This week we learnt about liquids. We learnt about variables such as density, volume, and viscosity. We also learnt about air pressure pushing down on liquids. Our challenge was to use limited resources to float the most marbles as possible. Amazingly the highest number to float was 21. Most people were successful this time.

We are all looking forward to the learning about more about solids and the next challenge.

# Leanyer Canteen

Lunches orders will continue to be provided by the canteen at Leanyer Primary School next door to us.

Lunches (NOT RECESS) are available to be purchased on Mondays, Wednesdays and Fridays ONLY.

Leanyer Primary School is now implementing an online ordering system called QuickCliQ. <https://quickcliq.com.au/>

You will need to create an account and order through this system.

Orders will close at 9am every day.

## Register

1. Click [here](#) to register.

## Get started

1. Click [here](#) to log in to QuickCliQ
2. Click "ADD STUDENT".
3. Choose "Leanyer Primary School, Leanyer NT" as your school. Ensure you complete all of your child's details before clicking "NEXT"
4. Click "ADD CREDIT" to add credit to your account
5. Click "MEAL ORDER" to add a meal order.

## To place a Meal Order

1. Select a Child
2. Select a Date
3. Select Meals you would like to order for your child and add them to cart
4. Confirm the Order and click "PAY & PLACE ORDER"

Once you have confirmed and paid for the order, you will receive a confirmation email from QuickCliQ. You can also double check your order by clicking either the "ACTIVE / CANCEL ORDERS" tab or the "TRANSACTION HISTORY" button. If you have any concerns, or need help, please email QuickCliQ at [support@quickcliq.com.au](mailto:support@quickcliq.com.au) or call 1300 11 66 37 . If you have any meal related issues, please contact the front office.

Leanyer Primary School would like to congratulate and thank all those families who have already started using our online ordering system. We feel encouraged by the response we have had so far from our valued customers. Please remember that every single order, no matter how small, helps us give back to the students and the community.

Congratulations!

Specials change frequently, so having an online account will ensure your child is not disappointed when their preferred choice of food is not available.

### HOW TO BOOK

- If paying by card / PayPal - go to our site: [www.illustrating-man.com.au](http://www.illustrating-man.com.au)
- Click on the colourful **Cartoon Camp Button** on our home page
- Select your **location** & complete the on-line form
- Please ensure your email address is correct
- We will email you a confirmation letter within the week with an attachment
- Please check your junk mail - sometimes emails with attachments may go in there
- We look forward to welcoming your children

**Monday**

- Theme: **Egyptian or Tropical**. Dress in Egyptian, Hawaiian or tropical. Prizes for best dressed.
- Draw: **Beginners cartooning Part 1**.
- Draw: **The pyramids & River Nile**.
- Play: **The toilet paper Mummy game**.
- Learn: **The art of ancient Hieroglyphics**.
- Competition: **Build a pyramid using straws**.
- Draw: **A tropical island**.
- Draw: **The pirates treasure map**.
- Enjoy: **Tropical fruit mocktails**.
- Kingdom Karaoke: **Sing along with the microphone**.
- Play: **Kingdom balloon skirmish - rob the nest**.
- Paint: **An underwater colourful coral reef**. (Long Day Activity)
- Design: **A detailed T-Shirt**. We will supply the T-Shirts. (Long Day Activity)

**Tuesday**

- Theme: **Adventure Day, The Future & Space**. Dress as an explorer, alien or galactic Star Wars™ character.
- Draw: **Robots exploring a 3D luna landscape**.
- Learn: **New amazing facts about the solar system & beyond**.
- Play: **The exciting game 'Charge'**.
- Europa: **Draw an alien life under the Jovian ice moon**.
- Competition: **Draw an amazing spaceships**.
- Draw: **Star Wars™ characters**.
- Make: **Milkyway starburst doughnuts**.
- Play: **The fun squishy alien game**.
- Draw: **Beginners cartooning Part 2**.
- Draw: **A futuristic orbiting space station city**.
- Make: **Make the worlds best stunt plane ever - it's amazing!** (Long Day Activity)
- Lego: **Competition - Make Lego™ spaceships**. (Long Day Activity)

**Wednesday**

- Theme: **Messy clothes & hair**. Prizes for the 'worst' dressed.
- Draw: **Beginners cartooning Part 3**.
- Draw: **A waterfall & rainforest**.
- Make: **Realistic clay model food**.
- Enjoy: **Delicious Skittle S'mores**.
- Draw: **A penguin, macaw & an emu**.
- Treasure hunt: **Find the treasure in the park**.
- Slime: **Make fun green gooey oooblick slime!**
- Play: **The shaving cream battle if you want to!**
- Draw: **South American sloth, monkey & an alpaca**.
- Play: **Harry Potter™, Pokémon™ & Star Wars™ trivia for prizes**.
- Competition: **Make a candy monster!** (Long Day activity).
- Greatest Showman™ **Talent Show**: Perform if you want to - singing, dancing, comedy... (Long Day activity).

**Thursday**

- Theme: **Dark clothes for the games**.
- Draw: **Cute Manga animals**.
- Draw: **Famous cartoon cats**.
- Draw: **Scooby Doo™, Snoopy™ & Odie™**.
- Challenge: **Guess the Tim Tam™**.
- Draw: **Beginners cartooning Part 4**.
- Secret code: **Decode to find the stash**.
- Face painting & tattoos: **Be creative!**
- Draw: **A volcano erupting lava & an earthquake**.
- Scavenger hunt: **Show & tell. Prizes awarded**.
- Play: **The custard eating game. Yum!**
- Kids on wheels: **Bring your scooters**. (Long Day activity).
- Waterslide: **Enjoy a fun afternoon slipping & sliding. Bring a towel & swimmers**. (Long Day activity).

**Thursday night camp 6pm - 9pm**

- Play: **Murder in the Dark**.
- Nerf gun battle: **Bring in your equipment & play. Join in if you want to**.
- Draw: **Australian animals**.
- Play: **Rock wrestling & space jump**.
- Make: **An ice cream sundae & eat it**.
- Draw: **Minecraft™ & Among Us™**.

**Friday Market Day - the best day!**

- Theme: **Computer games**. Prizes for best costumes.
- Draw & trade: **Pokemon cards. Bring your cards**.
- Draw: **Beginners cartooning Part 5**.
- Beading: **Make something**.
- Draw: **Realistic faces**.
- Draw: **3D dragon & a castle**.
- Play: **The secret assassin game**.
- Flour battle: **Join in the fun flour fight if you want to**.
- Waterfight: **Weather permitting & if you want to. Bring a watergun**.
- Kingdom Markets: **Everyone prepares a shop for Market Day. Make cookies, sell old toys, books, etc... the children buy & sell using Kingdom money they have earned over the week. We'll also give the children \$100 Kingdom dollars**.
- Computer gaming: **Bring in your devices for a gaming session**. (Long Day activity)
