- ◆ Friday July 23 - Royal Darwin Show Public Holiday
- ◆ Monday August 2 - Picnic Day Public Holiday
- ◆ Saturday August 7 - Family Fun Day

Newsletter Term 2 Week 10

Dear Leanyer Campus families,

What a wonderful semester we've had at Leanyer – all of our students have been very busy, parents very involved in the school community, and it's been lovely seeing you back visiting classrooms so that our students can share their learning with you. Year 4 demonstrated the communities they had built as a culmination of their Unit of Inquiry 'How we organise ourselves'; Year 5 shared their learning of systems and governance with their parents through businesses they created. There have been many other exciting learning opportunities, class visits and excursions throughout the semester and it's been fantastic to see our students' love of learning.

As I'm sure most of you know, we have said farewell to Mrs Loveday as she takes her maternity leave and wish her all the very best with her new baby. We welcome Mr Luke Bray to take over 4HL until the end of the year and Mrs Beukes will step into the role of choir master. Mrs Sara Forde, our Year 3 teacher, will take over from Mrs Loveday as Wellbeing Coordinator at Leanyer Campus.

We have just celebrated end of term with a disco and, as always, I'm very grateful to Sherwyn for hosting us at Dreambuilders Church. Everyone had a fantastic time!

Our Leanyer Campus Sports Day was a great event. Thanks to all of you who came along and cheered on the students. These community events are what really bring us all together, so I'm very grateful.

On Saturday 7 August, we will have a combined Open Day and Family Fun Day. There will be a range of exciting activities as well as food stalls, a bouncy castle and rides, so please tell your friends and come along and have some fun. We hope to raise money for shade sails and soccer goals, but ultimately spread the word about our campus and encourage people to join us. There will be information from your class carer and also from us at the start of next term around contributions of items for raffles and games.

Next term, Year 5 will be going on Camp, and our choir will be combining with the other Junior School choirs to perform at the Darwin Show. If your child is in choir or Year 5, please keep an eye out for the Signmees regarding these events.

As we have had some chillier mornings lately, please remember that, if you wish to send your child to school with a jumper, Transition to Year 5 students are required to wear the college jacket or a plain navy jumper or cardigan free from logos or hoods. Also please remember to make sure your child has a named hat and water bottle for outdoor play.

I wish you all a safe and happy mid-year break and will see you all back at school on Tuesday 20 July!

Cheryl Gunn

Head of Junior School, Leanyer Campus

PYP - Sharing Our Learning

There are numerous ways that we share our students' wonderful learning within our school community here at Leanyer Campus, including online continuous reporting, social media platforms, portfolios, live presentations, and special events. We love showcasing our learning whenever we possibly can! We aim to develop life-long learners that demonstrate action from their new knowledge and understanding and to share this publicly with the community.

This week will see parents accessing an End of Semester report on SEQTA Engage to provide some information about their child's progress for the first semester of the 2021 academic year. Reading the descriptions of the Units of Inquiry show the inspirational learning that is happening within our classrooms.

Teachers will continue to use either a Forum or the SeeSaw app to electronically share your child's learning. We share photos of our school activities on our Facebook or Instagram pages.

[This Photo](#)

We warmly welcome the support of our parent community through their attendance at our assemblies and chapels. As we move into our "new normal" regarding Covid Safety we are also enjoying the new opportunities to have parents visiting our campus for special events such as the Year 5 Business Day, Year 4 Class Community Come and See Day, and Leanyer Campus Sports Day.

We look forward to continually share our incredible learning journey with you.

Rebecca Fletcher

Primary Years Programme Curriculum Coordinator

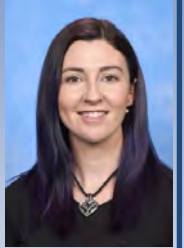

rebecca.fletcher@ntschoools.net

Pastoral Care

Throughout Term 2, teachers have been using the Visible Wellbeing SEARCH Framework to enhance their inquiry lessons to promote positive wellbeing around the school. I have worked with our staff to ensure that our different transdisciplinary themes link explicitly to the strands from Lea Waters SEARCH Framework. This has made our wellbeing lessons relatable and relevant, helping our students to be more aware and self-regulate in a variety of situations.

I have loved being the Wellbeing Coordinator at the Leanyer Campus and each fortnight I get so much joy handing out our PYP Superhero Awards to our students. I am pleased to say that Sara Forde will now be acting in the role of Wellbeing Coordinator, and I wish her all the best as she takes this on job. Look out for emails from her regarding PYP Superhero Awards at assemblies and Visible Wellbeing at Good Shepherd.

As I am preparing to take my maternity leave, I will also be passing the Junior School Choir over to Mrs Beukes. I want to thank all the students that have been a part of choir over the last few years, they have truly made the rehearsals and performances an enjoyable experience. I hope they continue to attend each week with excitement and a love of singing together! I look forward to seeing their future performances!

For a little while now, that's all from me. I hope everyone has a happy and safe holiday and I look forward to bringing Baby Loveday into school to meet everyone in Term 3!

Hannah Loveday
Wellbeing Coordinator

Library Lines

Greetings from the Library. In order to continue promoting International Mindedness at Good Shepherd Lutheran College, I would love to host some mother tongue story times in our Junior School libraries, starting in Term 3. We are blessed to have so many cultures and languages represented at Our College.

If you speak a language other than English, please consider volunteering to read a picture book in that language to one of our Junior School classes. It only takes around 30 minutes and the students love it! Please also extend this invitation to students, parents or people in the community who you know speak another language.

If you have a bilingual book to bring in with you that will be great, otherwise if you let me know the language needed I will order it for our library. Then all we need is your impressive command of two languages.

In Term 3 I am at Leanyer Campus Junior Library in weeks 2, 4, 6, 8, 10

If you can please contact me via email at: virginia.abercromby@ntschoools.net we can co-ordinate a time for you to come in and read to the students.

Our Book Fair this year is changing from Scholastic to Larrikin House and will include lots more books and less novelty items. We will include more information closer to Book Week in the middle of August.

Thank you for your time and support. Wishing you a wonderful and safe holiday.

Kind Regards

Virginia Abercromby

5DS Business Day

To end the unit of inquiry 'How we organise ourselves' 5DS held a Business Day. Each of us developed a business plan and a business to help us understand the connection that government has on trade and the economy. We had to think about resources, finance, budgets, taxes, laws, location, rent and advertising. Once our business plans were approved, we had to begin gathering resources and making products to sell to consumers. 5DS got creative! There were 6 different shops. On opening day, we had so much fun and learnt a lot along the way. We would like to thank all our valued customers. We made a profit of \$728.30. This will be donated to the Cancer Council NT.

ELC - Learning Through Play

Introduction to Mr Bray

About Me

I was born in Huddersfield, England and lived there for seven years before I moved to Adelaide in 2004. I moved to Darwin in April and so far, I am loving living here. I am excited to explore more of the NT and get to know the area where I am living.

I studied at Flinders University in Adelaide to become a teacher and have just recently finished my studies. I have worked in a number of different schools in different roles including an LSO worker and an after-hours care assistant.

In my free time I like to spend as much time as I can outdoors, exploring and going on adventures. I love to travel, and I have travelled to many countries and have travelled a lot around Australia. My favourite place I have travelled to would be Peru and in particular Machu Pichu, the views there are stunning, and the people are all so lovely and welcoming.

My Favourites

Colour: Yellow & Green

Food: Bananas, Apples & Chocolate

Drink: Water & Orange Juice

Treat: Nutella

Animal: Monkeys & Sloths

Sports Team: Huddersfield Town (English Football Club)

Destination: Fiji & Peru

Place: Cloud 9 in Fiji & Machu Pichu in Peru

Movie: Grown Up's

Hobbies: Surfing, Kayaking, Paddle Boarding, Hiking, Skateboarding, 4WDing

I have been working in 4HL for my final prac for the duration of Term 2 and look forward to being the Year 4 Teacher for the remainder of the year. Mrs Loveday has done such a wonderful job teaching the students so far this year and we are all so excited for her becoming a new Mum very soon.

If you would like to contact me to discuss your child's learning or anything that is happening in our classroom please don't hesitate to do so, my email address is luke.bray@ntschoools.net

I look forward to communicating with you in the future and providing your children with the best learning opportunities possible.

Luke Bray, Year 4 Teacher

Sports Day

Sports Day

We all had a fantastic morning at Leanyer Campus Sports Day today.
Points awarded as follow Fenton 303, Strauss 290, Livingstone 268 and Hughes 256.
Well done to all those who participated.

4HL Community Day

Leanyer Canteen

Lunches orders will continue to be provided by the canteen at Leanyer Primary School next door to us.

Lunches (NOT RECESS) are available to be purchased on Mondays, Wednesdays and Fridays ONLY.

Leanyer Primary School is now implementing an online ordering system called QuickCliQ. <https://quickcliq.com.au/>

You will need to create an account and order through this system.

Orders will close at 9am every day.

Register

1. Click [here](#) to register.

Get started

1. Click [here](#) to log in to QuickCliQ
2. Click "ADD STUDENT".
3. Choose "Leanyer Primary School, Leanyer NT" as your school. Ensure you complete all of your child's details before clicking "NEXT"
4. Click "ADD CREDIT" to add credit to your account
5. Click "MEAL ORDER" to add a meal order.

To place a Meal Order

1. Select a Child
2. Select a Date
3. Select Meals you would like to order for your child and add them to cart
4. Confirm the Order and click "PAY & PLACE ORDER"

Once you have confirmed and paid for the order, you will receive a confirmation email from QuickCliQ. You can also double check your order by clicking either the "ACTIVE / CANCEL ORDERS" tab or the "TRANSACTION HISTORY" button. If you have any concerns, or need help, please email QuickCliQ at support@quickcliq.com.au or call 1300 11 66 37 . If you have any meal related issues, please contact the front office.

Leanyer Primary School would like to congratulate and thank all those families who have already started using our online ordering system. We feel encouraged by the response we have had so far from our valued customers. Please remember that every single order, no matter how small, helps us give back to the students and the community.

Congratulations!

Specials change frequently, so having an online account will ensure your child is not disappointed when their preferred choice of food is not available.

Dear parents, guardians and carers

Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the *Disability Standards for Education 2005*, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that no individual student will be able to be identified – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy](https://www.education.gov.au/privacy-policy) (<https://www.education.gov.au/privacy-policy>).

Further information about the NCCD can be found on the [NCCD Portal](https://www.nccd.edu.au) (<https://www.nccd.edu.au>).

If you have any questions about the NCCD, please contact the school.

Kind regards

Principal
