Term 3 Week 5 Newsletter

Dear Leanyer Campus families,

Welcome! Term 3 has certainly been eventful so far! I have to extend my sincere gratitude to you all for being so understanding and kind during our lockdown this week. Our students certainly seemed happy today to be all back at school together. We had a quiet 3 days here at school with our students whose parents are essential workers; lessons looked a little different but we had a lovely group. There was a skeleton staff of teachers at school, whilst the others worked from home. Please email me with any feedback on the online learning, or hard copy packs that some people collected, so that we can ensure this works even better if there is a next time, cheryl.gunn@ntschoools.net.

Our Family Fun Day was a huge success! Thank you so much to our wonderful Class Carers who organised the day and gained so much community support with prizes, food providers and activities; to our amazing staff who supported the day and helped out in all sorts of ways; and to our fantastic school community who came along and enjoyed the fun. We raised a fantastic \$3000 which will go towards a shade over the little playground.

We have a few events coming up for the rest of the term which you will be notified about in more detail via Signmee, email or poster; please keep an eye on the posters on our board at the front of school.

- Father's Day BBQ – Friday 3 September
- Book Fair – Week 8; Book Parade Wednesday 8 September
- Student-led Conferences – Week 10; 20 & 21 September

A reminder that water bottles are essential at school, especially as students are currently not able to drink from the bubblers. Please ensure your child has a named **water bottle and hat every day.**

Covid 19 Restrictions:

Thank you for your understanding of our restrictions over the next week. Assembly and chapel will go ahead next week but with **no parents attending**, hopefully we will have these restrictions lifted in time for our Book Parade.

Unless you are dropping off or picking up a child at ELC or Camp Australia, please **drop off and pick up your child from the front of school**. We are limiting people on school grounds to staff and students. If you do have to come onto school grounds, please wear a mask and remember to sign in using the QR code.

Hopefully we will be able to get back to normal very soon, in the meantime take care and look after each other.

PYP - Parent Survey for Evaluation 2022

In order to continue our accreditation as an International Baccalaureate World School, we have an evaluation process every five years. The aim is for the IB to ensure that the Standards and Practices of the Primary Years Programme (PYP) are being maintained. The process allows the IB to work closely with the College in our ongoing development of the PYP. It does not seek to appraise or assess individual teachers or students. One of the requirements of the IB Evaluation is to involve all stakeholders (parents, students, teachers, administrators) in formal reflection on the Standards and Practices of our IB PYP Programme.

To assist with this review process we conduct a *Self-Study* where we as a school community review our practices and rate our progress against our IB Authorisation from 2017. We also survey students and parents to provide valuable input into this process. In the coming weeks a voluntary survey will be sent out, requesting your feedback on our current IB PYP practices. We value our parent community and appreciate any thoughts, ideas, or insights that you may have in regards to the purpose, curriculum, culture, environment, learning and assessment. The Evaluation informs members of the school community and others of the success of our programme implementation, and helps us to continue to make progress in delivering excellent outcomes for all students at Good Shepherd Lutheran College.

If you would like further information regarding this survey, please don't hesitate to contact me at rebecca.fletcher@ntschoools.net

Pastoral Care

Hello Leanyer families,

My name is Sara Forde and I would like to formally introduce myself as the new Wellbeing Coordinator for the Leanyer Campus. As you are probably aware, teachers have been using the Visible Wellbeing SEARCH Framework to enhance their inquiry lessons and promote positive wellbeing across the school. I will be working with teachers throughout the semester to explicitly link each strand of the SEARCH Framework to our transdisciplinary themes. This has proven to make our lessons more relevant and meaningful to each student. We will continue to award students PYP Superhero Awards at our fortnightly assemblies and this term we will be focusing on our Approaches to Learning: Social Skills, Communication Skills, Research Skills, Self-management Skills, Thinking Skills. If you receive an email from me it is to notify you that your child is a recipient of one of the awards for the upcoming week. If you are able to attend the assembly for the presentation we would love to have you there.

I am excited to work in this new role and am looking forward to being a part of enhancing wellbeing at our school. Please do not hesitate to contact me regarding anything relating to wellbeing at Leanyer campus.

Lutheran Olympians

Former and current Lutheran school students shone at the recent Tokyo 2020 Olympic Games in Japan, winning at least nine gold, three silver and seven bronze medals for Australia across five sports.

In addition, two old scholars of St Peters Lutheran College Queensland – Taekwondo player Pita Taufatofua (Tonga) and freestyle swimmer Eve Thomas (New Zealand), who won her 800m freestyle heat – represented other nations in Tokyo.

St Peters had six Olympic athletes among its student and alumni ranks, with current Year 12 Springfield campus student, swimmer Mollie O'Callaghan winning two gold and one bronze medal, while 2018 Indooroopilly campus student Ariane Titmus was another leading contributor to the Australian swim team's medal haul with two gold, one silver and one bronze. Fellow St Peters old scholars and swimmers Madison Wilson (one gold and one bronze) and Abbey Harkin (200m breaststroke) also competed at the games.

In total at least 10 Lutheran Education Queensland (LEQ) school alumni represented Australia at Tokyo 2020 and won a total of eight gold, two silver, and five bronze medals which LEQ Executive Director Dennis Mulherin points out would have placed LEQ 11th on the medal tally if it were a country, ahead of the likes of Canada, Brazil, New Zealand and Cuba.

Kaylee McKeown (Old scholar Pacific Lutheran College, Meridan Plains 2018 and St Paul's Lutheran Primary School, Caboolture 2012) was another of the Aussie swim team's stars, winning three golds and one bronze, while Taliqwa Clancy (Old scholar St John's Lutheran School, Kingaroy 2004) won silver in beach volleyball and Melissa Wu (Trinity Lutheran College 2004) won a bronze medal in diving.

Other LEQ Games participants included Katie Haywood (St Andrews Lutheran College, Tallebudgera 2017), who finished Top 40 in the 20km walk, Rosie Malone (Trinity Lutheran College, Ashmore 2015), who was a quarter-finalist in hockey and Alyce Wood (Immanuel Lutheran College, Buderim 2009), who came fifth and eighth in the pair and individual canoe sprint.

Another gold medallist was former Nhill Lutheran School student Lucy Stephan, from Victoria, who was part of the victorious Australian women's coxless fours rowing crew in the 2000m event.

Swimmer Kyle Chalmers, who was a student at Immanuel College Novar Gardens in South Australia when he won gold in the 100m freestyle at the Rio Olympics in 2016, in Tokyo won a silver medal in the same event, as well as two relay bronze medals.

Cyclist Rohan Dennis, a former student of Endeavour College Mawson Lakes in South Australia won a bronze medal in the time trial at the Olympics, while fellow cyclist, Cornerstone College Mount Barker old scholar Alex Manly was part of Australia's quartet in the Olympic Women's Team Pursuit, which finished fifth.
